

Dear HR/Resource consultant,

I'm Amr Moh, I'm an ARTIST :)

14 years of experience in design, creative production for Media, TV commercials, gameplay, cinematic, channel branding and VFX for TV series.

After long time working as animation director & media consultant for international brands in USA/EU/MENA region, I decided to move out from my comfort zone and focus on gaming industry.

I have 4 years of experience in PC and consoles with a focus on character animation.

I have creative experience, vision and passion for creating AAA Gaming experience.

I'm holding a bachelor's degree in art and science (Graphic Design) department.

Résumé: <http://www.amrcg.com/resume>

I develop myself by working on challenging projects.

Taken lead and responsibility is very important to me, but also getting my hands dirty in projects, finding solutions and sharing my experience is my pleasure.

Kind regards

Amr
